

Your Tomberlin vehicle just became even smarter.

Tomberlin 360™ is a wireless connectivity system that gives you real-time access, insight and security for your vehicle from your smartphone. Whether you're across town or across the country, Tomberlin 360 keeps you connected to your investment.

**It's the peace of mind you deserve—
wherever you go.**

EXPECT MORE

Active Battery Monitoring

- Know your battery's charge anytime, anywhere, even while your vehicle is in storage.
- Avoid surprises: Get notified before problems arise.

Instant Vehicle Location

- Real-time GPS tracking keeps you informed where your Tomberlin is at all times.
- Perfect for multi-home ownership, vacation properties or storage scenarios.

Geofencing Alerts

- Receive instant notifications if your vehicle leaves (or enters) your designated area.
- Adds an additional layer of security for resort, marina and community living.

Service Reminders

- Automatic mileage-based notifications remind you when maintenance is due, helping extend vehicle life.

Motion Sentinel™ Unauthorized Motion Detection

- Even when powered off, Motion Sentinel detects and alerts you to movement.
- Sleep easier knowing your Tomberlin is always protected.

Journey & Route History

- View recent trips, routes and usage, all conveniently logged in your app.

Impact Event Notifications

- Be alerted if a potential impact event is detected, helping protect your investment and your family.

Seamless & Simple

- Factory-installed on all Tomberlin Engage models
- Smartphone-based app for iOS and Android
- Free six-month trial subscription

Tomberlin 360. Always connected. Always in control.
