

WiTricity®

Wireless charging. Zero hassles.

Introducing Tomberlin WiTricity® Wireless Charging. Effortless power. Smart convenience. Now available on select 2025 Tomberlin Engage models, the Tomberlin WiTricity wireless charging system revolutionizes how you charge your vehicle.

Using magnetic resonance technology, this hands-free system transfers power wirelessly. All it takes is parking over the Power Hub.

No cables. No bending. No forgetting.

A Nordic Group Brand

EXPECT MORE

Why you'll love it

Just Park and Power Up

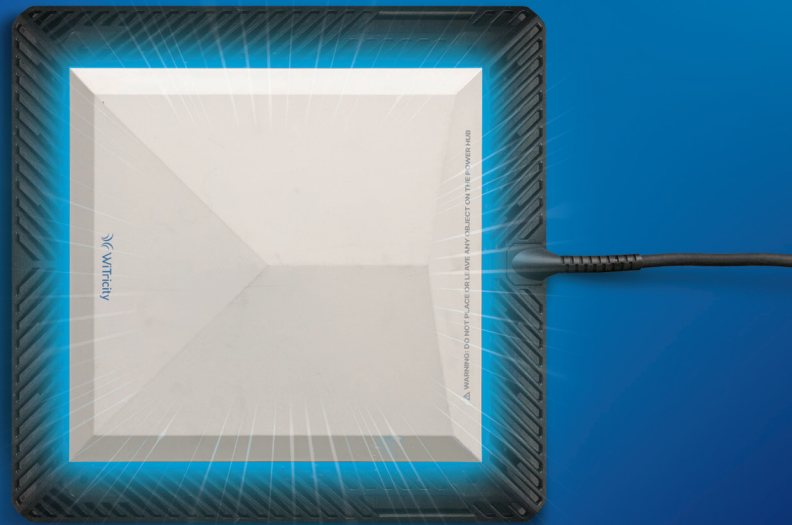

No need to bend, plug in or unplug

Always Ready

No more dead batteries from forgetting to charge

Clean Setup

Power Hub plugs into a standard grounded household outlet—indoors or out

Safe for All Ages

Great for families, seniors and drivers with mobility limitations

Smart Tech for a Smart Vehicle

A premium upgrade that elevates your ownership experience

How does it work?

- 1 The WiTricity MR/1™ Receiver is installed on 2025 Tomberlin Engage models at the factory.
- 2 The WiTricity MR/1 Power Hub plugs into a wall outlet. Just park over it and you're charging.
- 3 The optional Accessory Kit helps ensure easy alignment and installation.

Can you get it?

WiTricity can be installed on all Tomberlin Engage Ghosthawk, LX, GTZ and Beachcomber models equipped with Evolve L210 or L125 lithium batteries.

Interested?

Contact your local Authorized Tomberlin Dealer to find out how to upgrade your existing Engage.
